Gaze Burvill Planters

Gaze Burvill

Ethos

GAZE BURVILL 's mission is to create the finest outdoor furniture through an honest commitment to design integrity, craftsmanship and comfort.

The Environment

Consideration for the environment was one of our original concerns, as we are unwilling to use resources which are not regenerated at a sufficient rate to halt the erosion of the world's rainforests. However, we remain determined not to compromise on the quality and durability of our output.

Our first choice of material was therefore oak: strong, durable, with a transparent supply chain of timber from regenerated forests close to home. Oak also has another advantage, which is that it is simply the craftsman's favourite resource.

Oak from the forests of Europe is one of the most durable temperate hardwoods. From timber framed buildings to old ships, our continent is littered with testimony to this fact.

One of the first members of 'Woodland Heritage', Gaze Burvill has had 'Chain of Custody' certification from the Forest Stewardship Council since May 2003.

SGS-COC-0975 BP

Broadwalk Planters

Planters from the Broadwalk Collection are substantial modern pieces, with a few traditional virtues, for example one side of the planter opens to allow large plants to be inserted easily.

Dimensions

28 inch Broadwalk Planter

28 x 28 x 28 ins (71 x 71 x 71 cms)

28 inch planters include galvanised steel liner.

Court Planters

The Court Planter is a graceful and useful piece, which comes in three sizes and fits standard size liners for practicality.

Dimensions

17 inch Court Planter

17 x 17 x 17 ins (44 x 44 x 44 cms)

21 inch Court Planter

21 x 21 x 21 ins (53 x 53 x 53 cms)

28 inch Court Planter

28 x 28 x 28 ins (71 x 71 x 71 cms)

17 and 21 planters include plastic liner, 28 planters include galvanised steel liner.
